Dear Robert

### **HENBURY LOOP**

In answer to your query, the port has been involved for some time with parties interested in constructing the Henbury Loop. Whilst there are some operational difficulties that will need to be resolved, we have no desire to stop this development.

Our legal status over the land will be unchanged, whether under the current lease or under a freehold but for the avoidance of doubt, we wish to make it clear that we would not use land ownership to frustrate this development as long as we continue to have adequate access through the main gate.

Yours sincerely
